Sleepover Bandit Basics:

Sleepover Bandit Basics:

- The SOB is an overnight option spread trade which expires in ONE day.
- It ONLY takes place from a Thursday to Friday.
- The idea is to profit from absurdly high option pricing which flattens as we sleep through the night.

Sleepover Bandit Basics:

- I look for 7-10% overnight returns
- I ALWAYS do out-of-the-money spreads
- Lots of times I do 2 out of the money spreads, above and below

How to Calculate ROI:

$$\frac{\text{Cash In}}{\text{Cash Out}}$$

If you sell a put spread for net \$.70, and it ties up \$5 to make the trade... your ROI is:

$$\frac{\$.70}{\$5.00}$$

Or, 14%

Last Week's S.O.B.'s:

What I've Learned from the S.O.B. Trenches:

- I keep a master list of around 25 S.O.B. stocks. These stocks give me a solid starting place PLUS a steady profit edge!
- On Wednesdays, I do a simple scan of industry/sector rankings. I especially focus on movements during the past 3-6 weeks (I do this with IBD's data).

What I've Learned from the S.O.B. Trenches, Pt. 2:

- I notice trading ranges for my SOB stocks...
And on a Thursday, if it's happened to trade near the support, yet on lighter volume (and on no news) – chances are strong that selling an out-of-the-money put credit spread will pay off in a dandy way overnight.
- I like doing S.O.B.'s on stocks and situations where I wouldn't mind starting a Money Press opportunity.

S.O.B. Naughty List!

- DO NOT TOUCH STOCKS THAT WILL ANNOUNCE EARNINGS IN 3 DAYS OR LESS
- DO NOT TOUCH STOCKS FOR 3 DAYS AFTER THEIR EARNINGS ANNOUNCEMENT
- THE TAKEAWAY ...

→ KNOW THY EARNINGS DATES!!!

S.O.B. Naughty List Pt. 2

- No “revenge trading” attitude allowed for S.O.B. trades!
- Stay away from stocks going up, up, and away without a break – as they’re bound for a pullback
- On Friday, you can’t fall asleep, be out golfing with the fellas, be making sandwiches or otherwise forget about your S.O.B. trades.

S.O.B. Naughty List Pt. 3

- I avoid S.O.B. trades when there's big economic news set to be announced on a Friday.
- I don't do S.O.B.'s on Tesla... it's too unpredictable on the daily!
- ***Important*** On your scout's honor, please never be like Baton Rouge guy!
